**I fully understand there are inherent risks associated with horses and horseback riding. This includes, but is not limited to, injury or loss sustained by me, my child or the child whom I have represented myself as the legal guardian.**

**Warnings and assumption of risk: I recognize that horses are unpredictable animals, and that there are significant risks of injury inherent in the normal use of horses in equine activities, including but not limited to: trailering, loading, riding, taking lessons, training, grooming, saddling, leading, attending clinics or shows, feeding and caring for the horses. I understand it is not possible for any person or establishment to predict exactly how a horse will behave when it is frightened, angry or under stress. It may react according to its natural instincts, which are to jump, run or buck. Knowing the inherent risks and dangers associated therewith, pursuant to \*Montana Code Annotated 2005, specifically Title 27, Chapter 1, Part 725, which describes the purpose of Montana Code as it relates to equine activities, I, the rider/guardian, by signing this agreement acknowledge and accept the risks associated with horses and horseback riding.**

**By signing this release I am releasing Laughing Stock Horses, Inc. and Kris and Neil Wahl and all their heirs, assigns and employees from risks including, but not limited to, bodily injury, death, loss of or injury to personal property, and any and all expenses associated therewith and liability associated with my equine activities. I assume full responsibility for these risks.**
